Those subject to Federal Tax: single person $500 a year income; married ot head of family $1200 a year income.

COUNCIL MEETING

At a joint Council meeting held Jan. 15, Norris James clarified a few point on his position in Poston and answered questions concerning the press.

The meeting took place at Ward 7 at 9:30 a.m.

PILFILAGE OF LIGHT BULBS MUST STOP WARNS MAINTENANCE DEPT.

Poston residents are warned by the Maintenance that pilfilage of light bulbs from laundry rooms and latrines must stop.

Since expended bulbs must be returned to secure a new one, globes have been taken from the block latrines and laundry rooms. An acute shortage of light bulbs is seen and the Maintenance Department requests full cooperation from the residents.

ONE TRUST FUND SYSTEM ADOPTED

A body represented by the three units accepted the reports submitted by the Gila Garnishing Net Factory, with a few changes made by the represented group Jan. 14, at Ward 7, Unit I.

George Ono was chrmn. of the meeting, but asked Frank Kuwahara, vice chrmn. to conduct. The bonus scale of 20,000 sq. ft. per month, $10 was passed, with an insertion that for every 100 sq.ft. woven after 20,000 sq. ft. workers will be paid 20¢. Any worker will be given a flat $5 bonus their first 2 weeks of work if he does net overage 20,000 sq.ft.per.month.

The wages will be on a piece work basis.The weavers will be paid $4.80 per thousand sq. ft. of met. This wage has been set by the United States Army Engineets and cannot be changed. The non-weaving workers will be paid the overage wage plus 10%.

A committee from the three units will meet with Mr.Vernon Kennedy at 11 o'clock Jan. 15, to decide the points on voting.

IMPRESSED BY GILA CANTEENS

In response to the question, "How is the Gila Community Government?", Franklyn Sugiyama, who had completed a trip to Gila answered, "They are started on a Central Gov't, each camp Butte and Canal, has a Temp. Council. We saw Butte's Council in action. They seemed intelligent, slightly younger compared to Poston's Councilmen."

The problems seemed about the same as in Poston. Gila Council was discussing the present egg shortage. One of the Council-men said that the Administration was falling down on the egg supply. However, Harry Miyaki, Blk. mgr., explained that a clause in a Mess contract authorized Mr. Bennett, Proj. Dir., to purchase eggs on the open market and charge the cost to the regular Egg Contractor in event the Egg Contractor could not supply the camps. Miyaki intimated that Bennett contact several large egg dealers in Phoenix, but no eggs were available due to a scarce market.

Ted Haas, Poston Proj. Attorney, who was also invited to the Butte Council meeting was called upon several times to make legal interpretations for the benefit of the Council. Mr. Haas made several explanations about the Co-op.

"No preliminary work has been done," said Sugiyama, "but the Butte Council believed that the Co-op could take over by Feb. 1st or at the latest, Feb. 15th. I was afraid that Mr. Haas might discourage the optimistic feeling by telling them how Poston has been cussing and discussing the Co-op for the past four or five months and which started the first of the year. Fortunately, Mr. Haas wisely refrained from mentioning our long pre-campaigning for for Co-op."

"What impressed you the most, Mr. Sugiyama?"

"The Community stores seem by large far ahead of Poston in variety in completeness of meeting the Customers needs. Their stores are clean, neat and tidy. Merchandise was attractively displayed.

"There are 3 canteens in the Butte camp besides the shoe store and dry goods store. Canteens there have more in various lines of merchandise. It isn't like Poston where you have to worry before you go to the canteen, wondering if they have it or you have to walk to the Main Canteen. The nicest feature of the store is the polite business-like attitude of the clerks. The corner drugstores hangout feeling is entirely absent. Another thing I like was the fact that the purchase were either wrapped up neatly in brown paper or put in a bag without almost having to engage in battle with the clerk."

"How was the food in Gila?"

"The food was well-cooked and well-favored. We ate in Blk. 72 and 73. In those Mess halls they served in cafeteria style, but the portions dished out were small. Each member of the Poston party left the table 'hungry' after every meal."

"Which Relocation Camp, Poston or Gila, do you prefer?". Before Mr. Sugiyama could answer, Mrs. Sugiyama smiled sweetly and said, "Naturally, Poston!"

(5) カモフラーヂ網案研究さる

ニモンカモフラーヂ網作業計画案関係者は昨日(昨紙に昨日開催とありしは誤)第一に会合し既報のヒラセンター カモフラーヂ網工場視察委員の報告及び提案を基礎として当地に於ける就業法に関し研究を行った。

視察委員提案の毎月網作業二万呎に対する賞与二千弗は認可されたが二万呎以上に対する賞与が「百呎毎に二十仙宛増加」と変更され、一ヶ月の網作業が二万呎に達しない作業員の賞与が五弗と決定された。

勿論右は前記視察委員案の訂正であり一般業務員の承認を要するものである。

前記賞与は網作業員のWRA給料十六弗に附加されるもので、作業員が網作業六呎には四弗八十仙の割にて工場受請人より受取る仕負金はそれよりWRA給料相当額、賞与、WRA人物と同額の被服料、WRAは文房具、その他本人の給食住宅料(合計三五弗)、その他ソーシャルセキュリティ料等を差引いた残金を業務員配当額として組入れ後日業務員が適当方法に依り分配するもの。

前記提案に示されてゐる。

因は全ポストン業務員は来週早々カモフラーヂ網工場就業を承認するや否やを決定のため投票を行ふことになってゐると。
