Damaged

Heart Mountain, Wyoming—Complete loss of 52 acres of truck crops and damage to other vegetables was reported as a result of the 30-minute hail and thunderstorm last Wednesday night. About 10,000 tomato plants, 30,000 cabbage seedlings and 18,000 cauliflower plants will be used for replacement.

On The Other Hand

By Roy M. Takeno

Typical Ickesian retort: "I have no interest in bandying epithets with you or anyone else about loyal Japanese who are born in this country and who are just as fully citizens as you or I. You sound to me like a man with a bad conscience."

The Interior Department Secretary's letter to Assemblyman Chester Gannon contained the passage, a part of his answer to the legislator's request to the cabinet officer not to return the evacuees to California.

Maybe the Japanese-Americans ought to think about changing their names, many of them unpronounceable, to Jonesens, and Smiths.

But if Irish-American O'Malley's and Polish-American Wocjieczsk is good enough for them, the Japanese-Americans' Yamadas and Tanakas ought to be good enough for us.

NBC Commentator Larry Smith, late of the INS in pre-Pearl Harbor Orient, now touring the country in the interest of the Fifth War Loan Drive, has been lashing at Japanese-Americans.

"Coming into Denver I saw a sign above a garage. In English? No! The sign served notice that this is Asaki's garage. Common name in Japan."

Smith berated a Protestant commission which is appealing to Congress for grant aid to Japanese-Americans. "The freedom granted these people is amazing," he asserted.

Story from Capitol Hill: Congressmen from various sections of the Midwest and Eastern states are prodding their congressmen to demand the return of the bulk of the country's Japanese population to the West Coast.

Reason: Constituents want to prevent Japanese colonization in interior and east coast states. And West Coast congressmen are demanding that California, Oregon and Washington ought not to be required to carry the burden alone.

An all-time record of about 430,000, says the U.S. Immigration and Naturalization Service office in Denver, is expected to be reached this year by the country in the naturalization of aliens.

A few Chinese, too, are raising their right hands for the pledges that will make them naturalized citizens. Left out, still, are 47,305 Japanese aliens. That was the 1940 census count.

States His View

There are rumors that high ranking Washington officials are toying with the idea that Japanese should be returned to California. They base their proposal on the firm grounds of civil rights, guaranteed by the Constitution.

It would be tragic dis-service to return a man to his house because he had a constitutional right to live there, if the house were located in the midst of a burning forest. Just so; it would be tragic ineptitude, to say the least, to return Japanese to California at a time when the hot flames of war hatreds are enveloping the state. The test of his (Japanese American's) patriotism is his willingness to stay out of California while Japanese soldiers are killing California boys." This is beginning to look like a war between Japan and California.—Manchester Boddy, publisher, Los Angeles Daily News.

Students Favor It

Los Angeles—America's college students overwhelmingly favor restoration to Japanese American evacuees the right to return to the Pacific coast, Prof. Leonard Bloom, of the UCLA sociology department declared during a radio discussion over KNX June 15 on the subject "Should the Evacuated Japanese Be Allowed to Return?"

Bloom asserted that only 14 per cent of college students, in a recent survey, opposed the return of Japanese Americans to the homes from which they had been evacuated.

Minister Given Doctorate Degree

New Haven, Conn.—Rev. John Misao Yamazaki, former pastor of St. Mary's Episcopal Church in Los Angeles, and alumnus of Berkeley, New Haven, Divinity School, was honored on May 30 with honorary degree of Doctor of Sacred Theology.

DESPONDENT GIRL, 16, COMMITS SUICIDE

Pueblo, Colo.—Kimi Takaki, 16, Japanese high school student, apparently despondent over possible annulment of her marriage to a Chinese soldier, died in a hospital Sunday after drinking a bottle of poison, Acting Coroner R. J. Blair said.

Detective Tom Mathews and Harvey Neilson, said the girl's parents, Mr. and Mrs. Yasokichi Takaki, told them they had recently learned of her marriage to the Chinese, whom she met three months ago, and were violently opposed to it.

The officers reported Mr. and Mrs. Takaki said their daughter left a room in their home after she was informed the marriage would be annulled. A few moments later, the parents said they heard the girl groan and slump to the floor in another room. She died at a hospital an hour later.

WOMAN IN TREASON CASE GIVEN RELEASE

Mrs. Billie Tanigoshi, 32, one of three Japanese American sisters awaiting trial in enver on treason charges, was released on her own recognizance Thursday by U.S. Judge Symes to return to Granada relocation center, pending the trial on July 24.

Mrs. Tanigoshi, who is returning to Granada to care for her 4-year-old daughter will relieve her mother who has been taking care of the child, but is now ill. Assistant U.S. Attorney Ivor O. Wingren consented to the release.

The other sisters, Mrs. Tsuruko Wallace, 35, and Mrs. Florence Otani, 33, will remain in jail here.

QUELL RUMOR ABOUT RETURN TO COAST

Washington, D.C.—In his letter to Rep. John Z. Anderson, R., Cal., Secretary of War Stimson last week sought to clarify the widely reported stories that the evacuees shortly will be permitted to return to California.

Declaring that the exclusion of persons of Japanese descent is by military order and the order can be revoked only by the responsible military authorities, the Secretary explained that military necessity for continued exclusion of Evacuees is under study and surveillance both by the War Department and Western Defense Command and any forthcoming changes in policy which would result in their return hinges entirely on changes in military situation.

Stimson added that his department is maintaining liaison with WRA and are keeping them informed on the War epartment's policy on exclusion.

Praised

Santa Maria, Cal.—Famed radio commentator, H. V. Kaltenborn wrote to Rev. Aaron Allen Heist and his church, the First Methodist Church, that his work is a "magnificent example of applied Christianity."

"Yours is the first California publication," he said, commenting on the church's recent bulletin, "which dares tell the truth about Americans of Japanese ancestry. It is the people of California who unhappily are primarily responsible for the unfair treatment that has been accorded to American citizens, whose only crime is that they were born of Japanese parents."

Under Eighteen Skip Hearings

Poston, Ariz.—Effective May 17 1944, no evacuee shall be required to file application for leave clearance until he reaches the age of 18, James D. Crawford, relocation program officer, announces.

Persons under 18 be granted leave in the same manner as persons under 17 are granted leave under the present procedures. Present procedures will remain in effect for persons becoming 17 prior to May 19 1944.

Injustice On D-Day Tragic

Decent persons everywhere shudder at mob activity, its cruelty, injustice and evidence of warped mentality . . . To read about such conduct is distressingat any time. T. read about it on D-Day produces a condition of nausea, particularly when our own state is concerned . . When thousands of decent American youths are breaking through itler's collaat defense and engaging the Germans in ferocious combat, other youths in Utah county threaten to mob farm workers invited into this area to help produce the food needed for the boys in uniform and liberated peoples.

"One group fights courageously for tolerance and decency while the Utah country group, filled with fascist-like hatreds, beats up American citizens of Japanese ancestry.—Ogden, Utah, Standard-Examiner.

JAPANESE PROBLEMS

Sacramento, Cal.—Debate over the prospect of a return to California of evacuated Japanese Americans arose in the state assembly last week when Assemblyman Chester Gannon, R., Sacramento, submitted a resolution asking additional $1,000 for his interim committee on Japanese problems. The resolution was accepted.

Relieve General Emmons

San Francisco—Lt. Gen. Delos C. Emmons, commanding general, Western efense Command, has been relieved of his position. He will be transferred, the army disclosed yesterday, to an unannounced important command.

Emmons took over the command Sept. 15, 1943, coming here from the Hawaiian Department which he assumed ec. 17, 1941, succeeding Gen. Short, who was relieved of his command following Pearl Harbor disaster. Emmons succeeded Lt. Gen. J. L. De Witt, who initiated exclusion order and evacuation of Japanese under Presidential order.

Surprise To All Japanese In U.S.

From my experience as a member of the Alien Enemy earings Board on applications for hearings at internment camps, I know that to most of the isseis, this war was unexpected as an earthquake would have been.—from Utah Supreme Court Judge James H. Wolfe's address to nisei graduates in Salt Lake City.

日米大海戦か
二提督『必勝の言』公表

（重慶二十七日）米國太平洋艦隊司令長官ニミッ提督は本日の記者團會見に於て、日本の大艦隊は全軍合艦隊及びマリアナ群島間に現れるに至つて戦雲は漸く濃厚となつたが、更に明日は既に敵艦隊に於て米國艦五隻の國旗を掲げ始めんとするを示し、今日迄決戦を回避し續けて来た日本海軍の機會を期待してゐる旨を表した。一方マリアナ諸島に於ては、日本軍は既に六百の戦闘機に六百の爆撃機を加へてゐる旨報じ、「日本海軍は遂に全兵力を集中し海戦に出撃した」と述べ、米國艦隊は日本軍に対し優勢なる兵力を有して居り、日本艦隊の進出は一大海戦を期待するものである」と語つた。これより前、日本國民に大海戦の開始を警告し、帝國海軍の参陣を誓つてゐる。既にニミッ提督は現在迄の戦況報告は行はなかつたが、既に米國海軍は日本艦隊に或程度の損害を與へた事を仄めかして居り、之を裏付るものとして、ドゥエイ海戦に対する航空母艦よりの飛行機撃滅と戦艦による攻撃は重大なものであるが、米國のサイパン攻略後、敵艦隊の動ひ来つたれ米空軍の飛行機は、これは即ちもの近海に日本艦隊の存在を示すものと解される譯である。
