CONGRESS MAY WANT FULL STORY OF SEGREGATION

Washington, D. C.—Investigation of the way Federal authorities have handled disloyal Japanese evacuees was threatened in the new Congress last week—two moves to find out what the Justice Department has done in the way of punishing aliens removed from the Pacific Coast who refused to swear allegiance to the United States, were announced.

House Immigration Committee Chairman Rep. Dickstein (D.), New York, said he intends to summon officials of the WRA and the Justice Department for questioning.

All But 7 of 35 On Leave Keep Status

Los Angeles—The Civil Service Commission reported that th 35 nisei city employees granted leaves of absence shortly after the war with Japan began, all except seven have lost their eligibility to return to their jobs. Two of the seven are on military leave which is good indefinitely.

On The Other Hand—

By Roy M. Takeno

GONE ARE THE DAYS

The question of what kind of community life the returning evacuees propose to lead upon their return to their West Coast homes, is one which interests the West Coast people as well as the rest of the evacuees who aren't going back.

Superintendent of Schools Elwyn Gregory of Alameda, Cal., fears that with the return of the evacuees, "there would soon be the Shinto temples and all the other subversive things that went on before evacuation."

We beg to disagree. We would deign to speak for all evacuees to say that the interspersed West Coast Japanese Americans would want to go in, wholly, for activities typical of their American friends. The old pattern of community life, predominated by the issei, have gone over the boards. This kind of community cannot be restored. It is quite dead.

League Election Set

Denver JACL will hold its election meeting tonight, 7:30 p.m. at Grace Community Church, it was announced last night by Pres. George Kashiwagi.

Reports on the national JACL conference in December will be reported by Mrs. Haru Kobayashi and Mitz Kaneko, Denver delegates. Vice-President Charles Kamayatsu is arranging the program for the meeting. Members are reminded that the 1945 dues are payable at the meeting.

Widowed Mother's Plea

Pasadena, Cal.—Mrs. Julia Fernandez, widowed mother of eight children, was reported yesterday as having asked the landlady, Mrs. Satsuko Uchida of Rivers, Ariz., to delay her returning to her home, to prevent bringing undue hardships upon the widow.

URGE STRONGER LAW

Washington, D. C.—A stronger law stripping disloyal nisei of citizenship rights was proposed in Congress Jan. 4 by Rep. J. Leroy Johnson (R.) of Stockton, Calif., with the complaint that present statutes are inadequate to penalize nisei who refuse to support the U. S. A. in time of war.

LIEUTENANT HERE VISITS SISTER

When First Lieutenant Howard Y. Miyake, wounded Japanese American war veteran, arrived in Denver to visit his sister, Mrs. Duane Kimball, wife of a seaman first class in the Navy, she surprised him with the news that she had joined the WAC and would be inducted January 16.

"Fine," commented Lieutenant Miyake. "It's everybody's war. There's nothing at the moment I'd rather have you do than join up and shorten this thing as much as possible."

Lieutenant Miyake was wounded by mortar fire June 4, 1944, within a day's march of Rome. He received a battlefield promotion from platoon sergeant to second lieutenant January 7, 1944. His commission as first lieutenant arrived a little more than a month after he was wounded. Since September, 1944, he has been a patient at the Newton D. Baker Hospital, Martinsburg, West Virginia. He was awarded the Purple Heart, the Silver Star, and the Combat Infantryman's Badge.

SON BORN TO HANAMIS

Mrs. Midori Hanami of 3129 Arapahoe Street gave birth to a baby boy recently.

Nine Families Ready

Hunt, Idaho—To date nine families have applied to leave for the West Coast from Hunt, including the Nakano family who left for Port Townsend early this month, according to D. Newell, assistant relocation adviser.

Suggestions Given Isseis Who Propose To Return To Coast

On the Pacific Coast, the JACL suggests that because of numerous defense installations and factories, the issei must be especially careful in complying with the travel regulations. When traveling more than five miles, they must first obtain permit from the United States district attorney. Also in changing their employment and place of residence even if it is across the street, a permit must be obtained first.

In the intermountain area and elsewhere outside of the restricted area, the regulations have not been enforced strictly. It is reported that newspapers have already carried a warning from one of the United States district attorneys that any alien Japanese violating the regulations will be sent to internment camp.

To avoid attracting public attention, isseis are advised not to speak Japanese on the streets and in other public places. They should not bow to each other because this makes them conspicuous.

ISHIDA HEADS BAY CITY OFFICE

San Francisco—Reopening of a branch office of the JACL at the International Institute, 1860 Washington Street, was announced last week with the assignment of Miss Teiko Ishida, 28, as secretary.

Before the war, the 17-year-old league had 66 chapters scattered throughout the Western states.

So far, Miss Ishida said, some 1000 have returned to their homes up and down the coast. The league representative came here from New York, where she headed the JACL there.

CHEST FUND WILL AID NIPPONESE

Rowher, Ark.—For the second, successive year, the Dayton Community War Chest has underwritten the Ohio City's Church Federation to the extent of $15,000, part of which goes for the community needs of resettled Japanese Americans.

The money will make available the services of the director of the Community War Work, as well as financial help to Yoshio Kodama and the Rev. John Yamazaki, who work with the federation on relocation problems.

Recreation Leaders' Training Offered

Leaders of children's and young people's recreation groups will be given an opportunity to learn new skills at a recreation leadership training course which will be held on six successive Tuesday evenings from January 9 through February 13. Sponsored by the City Recreation Department in cooperation with a number of other community agencies, the course will be held at Morey Junior High School and will be free of charge to everyone sixteen years of age or older who wishes to attend.

Organizations working with the City Recreation Department in planning the course are the Health Education Department of the Denver Public Schools, Recreation and Leisure Time Division of the Council of Social Agencies, Community Center Council, Girl Scouts, Camp Fire Girls, YWCA, Phyllis Wheatley YWCA, YMCA, Denver Public Library, Volunteer Placement Bureau, Junior League, Adult Education Council, and Federation of Women's Clubs.

CLARIFY O.P.A. POSITION ON HOUSE RENTALS

Los Angeles—Clarifying the attitude toward the current Japanese American resettlement controversy, District Director Ben C. Koepke of the OPA rent control office yesterday declared that the OPA can do nothing more than accord the same rights to all citizens.

"In the event a returning Japanese home owner serves an eviction notice on a tenant," said Koepke, "the notice is served and a copy must be filed within 24 hours with the OPA rent office. After that the tenant is under jurisdiction of the state courts, not OPA."

CASE OF 63 MEN

The case of the 63 nisei sentenced to three years in Federal prison for disobeying selective service rulings, will be among the cases to be heard by the U. S. circuit court of appeals, it was disclosed yesterday.

私はこのパーセル氏としばしば文書の交換をしてゐるが、ある時点に私の手紙の中に「君はアメリカン、シヴィル、軍部によつて死刑の宣告を受けた那なる一市民ミツエの生命を助けてくれた」旨を記載したが、軍部は、それを問題にしなかつたのである。

私は、ミツエの生命を救ひ、戦争の犠牲者の救護に努力したことは、私の生涯の誇りとする所である。ミツエ事件は、終つて、軍部の大統領リンカーンが、過失を責じたのを、軍部に責任を負つて即時リンカーンの釋放を要求したことがあつたが、君が今取扱つてゐる遠藤みつゑケースは、全くそれと同じ性質のものである」
