Dr. U. G. Dubach,

2661 Van Buren St.,

Corvallis, Oreg.

Dear Sir:-

I wish to express in a small way the feeling of gratitude for your kind attention and efforts to satisfactorily arrange- boarding facilities for my son, Ray. I certainly appreciate what you have done for us, and wish to thank you from the depth of my heart.

In his contacts at Oregon State, I realize that Ray will have to encroach upon your kindness in the future. I trust that you will render him the same kind services that you showed on our first visit to the campus. Knowing full well your kindness and impartiality we shall have no apprehension as to my son's welfare.

In closing, I should like to thank you again for your interest in the affairs of the Japanese-Americans and for the hospitality extended my son.

With kindliest regard to yourself and Mrs. Dubach.

Sincerely yours,
