Hood River, Oregon.
Dec. 17, 1937

Dear Tsuyoshi:-

Your recent letter is duly received, but was unable to write you my answer because I was arranging a big program for Rotary club. As to your request I sent a box of Extra Fancy Newtown to Ray Nishi father by Express the same day I received your letter. I was told by Express Co. that it will reach Hawaii

before Christmas. It was rather too costly to send a box of apples to Hawaii by Express, but it is only way we can send them. I selected a real good apples of large size '98' Please tell Ray about it. Mr. Kodani wrote me his letter asking my permission to accompany you to his home in California, but I have not answered him as yet. I and mother want you to come home on Christmas holiday, but if you

like to go there I will give you permission to make a trip with Art. if you do not spend much money. If you want to have some money ~~write~~ let me know. Hope to have you in home before long.

Minnie will be home on or before Dec. 24. Everything at home is all right, except all children have bad cold. Best regards to the boys.

Your father
