Dear Homer:

All the thank you letters have been written to all the people who helped at Obasan's funeral and who gave koden. Earlier, I mailed a summary to all of you which you should have by now.

I wrote the check for Coram Nobis a couple of days ago but did not mail it since I thought I would call you to see just how and to whom I should make it out. However, on second thought it looked okay so am enclosing it at this time. You will note that it is made out to the Portland JACL with the notation on the check that it is for coram nobis (Min's) and is given as a memorial to Obasan. If you see any need to add further to the payee line, go ahead and do it.

I'll mail a check for $100 to the JACL Redress fund to National with the same notation.

Chip came up this past Sunday and is having a ball playing with Corey and Kim. We saw him only Sonday night and since then he has been up at Corey's. Joanie and/or Chris calls every day to see how Chip is doing. They were planning to come up in time for supper tomorrow, which would be Thursday.

I had earlier planned to go to Salem to take in the Labor Day trapshooting tournament, but what with Chip here and Chris and Joanie coming may forego that. Instead, I might take them up to Washington to go huckleberry picking. If you and Michey have any thoughts of huckleberry picking, let me know, and I'll arrange to show you my garden on the Washington side of the river. The bushes are tall so you can pick standing up instead of stooping over. If next Tuesday is your day off, let's do it. I can meet you in Cascade Locks at a certain time and we can go from there.

That's about it.

Yours,

Ches
