

**Issei men having a lobster and sake dinner, probably in an Alameda, CA, restaurant, circa 1910-1920s.
Could be the Hiroshima Kenjin-kai, or association.**

Alameda Isseis

gather to enjoy a fine
meal of lobster,
futomaki and beer.

Could this be a meeting
of the Hiroshima kenjin
kai of Alameda, CA?

Circa 1910-1920s
