Mr. Perry M. Miyake  

RE: An Appeal for Action to Obtain Evacuation Redress

Dear Mr. Miyake:

On behalf of our fellow officers and members of the board of directors of the Seattle Chapter of the J.A.C.L., we have taken the liberty of sending you the enclosed cassette together with two printed copies of the message it contains. We feel that the ideas and proposals presented are of sufficient importance to warrant serious considerations by you and the other members of your organization. We would appreciate it very much if at the next meeting of your group, you would either play the cassette or have someone read aloud to the members from a printed copy of our message.

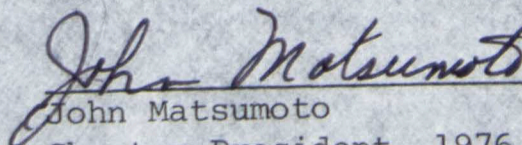

In order to ascertain whether a sufficient degree of concurrence with our views and proposals exists to make it worthwhile to pursue the path we have outlined, we would be grateful if you or one of your fellow officers would be kind enough to fill in and return to us the attached questionnaire. A stamped self-addressed envelope is enclosed.

Thank you for your cooperation.

Very sincerely yours,

Lindbergh S. Sata, M.D.
