To date, timelines and strategies regarding the legislation have not been finalized, however, we should have some indication of this by the end of the month.

In the House the legislation will be heard before the Judiciary Subcommittee on Administrative Law and Governmental Relations. In the Senate the bill will come before the full Committee on Governmental Affairs.

The Lutheran Church in America (LCA) has taken a position in support of the recommendations of the CWRIC. This endorsement was due in part to the efforts of Charles Matsumoto (Indianapolis) who serves on the LCA Executive Board. The Chicago Redress committee is currently active in getting local Lutheran churches to affirm the LCA position. Other chapters in the Midwest may wish to initiate similar action. Hopefully, we can get LCA members to begin corresponding with their congressmen.
