SUBJ: MDC Redress Funding

As you will note in the enclosures the National Redress Program through Min Yasui has authorized an allocation of \$3000 to the MDC to carry out redress efforts in the district for the period August 1, 1983 - July 30, 1984. Authorization from the National Redress Committee, however, does not constitute final approval which I hope will be forthcoming shortly.

The funding covers administrative and travel costs for the MDC effort. Under provisions earlier outlined by Henry Tanaka, chapter redress representatives may be reimbursed for long distance telephone costs to members of Congress and for internal communication purposes to the Midwest Office and the MDC Redress Chair. Photocopying and postage funds will be utilized by the Redress Chair and the Midwest Office for the dissemination of information. Travel funding will be utilized primarily by the MDC Redress Chair and the Midwest Office for redress related activities in the district.

Enclosed for each of the chapter redress representatives are expense reimbursement forms. If you incur an expense, complete the form and submit it on a monthly basis to Henry Tanaka for approval. This process will be utilized whether or not funding is approved by National.
