Honorable J.J. Pickle
Member of Congress
242 Cannon Building
Washington, D.C. 20515

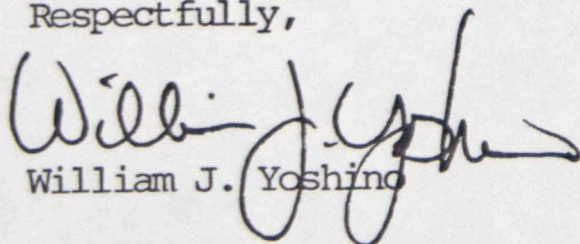

Dear Congressman Pickle:

It is my understanding that HR5499, the "Commission on Wartime Relocation and Internment of Civilians Act," will come before the full House shortly. In consideration of this legislation, the Japanese American incarceration during World War II is a lesson that civil liberties do not and cannot sustain themselves; these liberties must be constantly safeguarded.

I respectfully urge your support of HR5499 when it comes before the House.

Should you require additional information, please contact our Washington Office at 223-1240.

Respectfully,

William J. Yoshino
