WH — Justice is the Key
eg 1968 - Violence in housing ~~Red~~ fine \$10000.
Civil rights act. Therefore enforcement & penalty

- Oniners of responsibility is with U.S. Therefore pay penalty for unlawful act.

- What we do with money is irrelevant because we were victims.

How do we inject?

J.T. - Justice OK, but details are necessary
therefore How to -

S.W. - Discussion by SACL & Us because we
are concerned with Justice.
- But keep it alive.

~~T.H.~~ -

L.K. "Farewell to Managar" -

Bill Hori & Judge?
Terri

L.K. & S.W. - dichotomy to Principle vs. Pragmatism

S.W. - Continue verbiage until solution surfaces.

P.M. - Are we not attempting to function as a
legislature body?

T.H. - Yes let PCE do the work.
Just do it.

D.O. - No you have to be concerned about end result.

T.H. - Main point is injection.
Therefore - Proclaim the injection
- plus rule for token redress.

- WH — Clarity as to why —
 Legislators are ~~of~~ very sensitive to Justice —
- LK — National Committee is the vehicle
- C.O. — ~~Other~~ Other ethnicities need, why JA?
- JH — If JA can, then the others
 may be helped by precedent.
- LK — You look for others also — but how
 about ~~some~~ tissue?
- CC — All ethnic movements experienced it, how
 about helping other ethnicities instead
 of just JA. Next what can JAs
 do to help the cause —
- WH — We are missing the issue, we are
 trying to fix the government.
