SELECT COMMITTEE ON AGING

Mr. Leland K. Nomura

Dear Mr. Nomura:

Thank you for your recent letter expressing your support for S. 1647, the Commission on Wartime Relocation and Interment of Civilians Act. I have noted your comments of first-hand experience with much interest, and share your concern.

As you know, this bill would establish a commission to determine whether any wrong was committed against those American citizens and permanent resident aliens affected by Executive Order 9066. The measure is currently awaiting action by the Senate Governmental Affairs Committee. Please be assured, Mr. Nomura, that I will support this legislation should it come to the floor of the House of Representatives for a vote.

Please don't hesitate to be back in touch on matters of mutual interest. Your informed viewpoint is always welcome.

With kind regards,

Sincerely,

John Paul sc
