Ms. Chiye Tomihiro,
c/o Mr. George Taki,

Dear Ms. Tomihiro,

I have been happy to hear of the excellent Monday Night Class this week and I want you to know how grateful we are to Mr. Taki for persuading you to come along to speak to the men in this class and to you for giving of your time to tell the story of "The Internment of American Citizens during the last war" from your own personal experience. I believe that you were listened to with great attention and interest and that you had a good lively question time afterwards.

I hope very much that you will be able to come on another occasion and give us further insight into your story.

Thank you again and may God bless you.

Yours sincerely,

I. Velazquez,
Major,
ADMINISTRATOR.
