Miss Annie Marie Chevalier  
[REDACTED]

Dear Miss Chevalier:

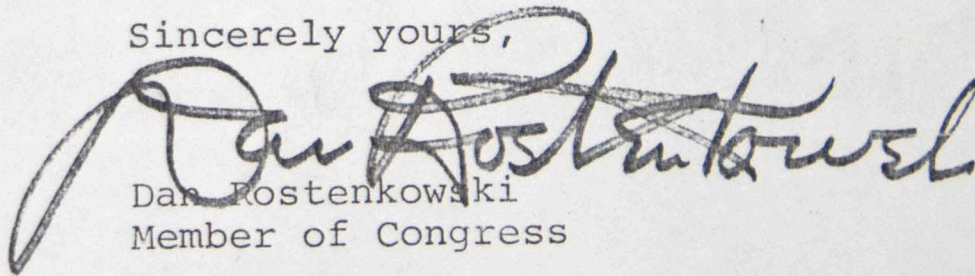

Thank you for your recent correspondence concerning legislation that would provide for a study of the incarceration of Japanese Americans during World War II.

As you are aware, Congressman Wright introduced H.R. 5499 on September 28, 1979 which would establish a commission to make such a study. This legislation was referred to the Judiciary Committee. As yet, no legislative action has been taken.

Please be assured that should this issue come before the entire Membership of the House of Representatives for a vote, I will keep your views in mind.

With kind regards, I am

Sincerely yours,

Dan Rostenkowski  
Member of Congress
