Dear Mr. Yoshikawa:

Thank you for sharing your thoughts with me about S.1647, a bill to establish a commission to investigate whether any wrong was committed against those affected by E. O. 9066.

As you know this legislation has been referred to the Governmental Affairs Committee of which I am a member. Hence I appreciate having the benefit of your views and will certainly keep them in mind when Committee action is scheduled.

Best regards.

Sincerely,

John Glenn  
United States Senator
