Ms. Violet de Cristoforo

Dear Violet:

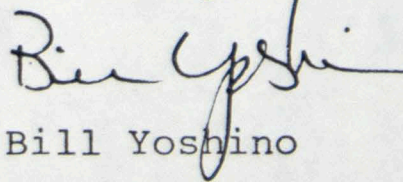

Please forgive the extended delay in responding to your request for copies of the testimonies presented at the Chicago hearing.

I must first say that I read accounts of the San Francisco hearing and in particular the testimony you gave at that time. Those accounts and conversations I've had with John Tateishi attest to the singular impact your testimony had on the commission. I personally offer again my thanks to you for your courageous presentation before the commission.

Regarding the Chicago testimonies, I have enclosed representative testimonies given in Chicago. Finally, I extend best wishes to you and your husband in this holiday season.

With warm regards,

Sincerely,

Bill Yoshino
