Mr. Sam Honda

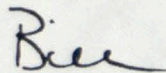

Dear Sam:

Please forgive the delay in responding to your letter of October 18, 1981.

I have included a copy of Jay Miller's testimony before the commission. Miller is correct in his qualification that the Northern California ACLU protested the legality of the exclusion order. As I understand, the national ACLU did not take a vigorous stand against the evacuation, however, they did notify President Roosevelt of their protest to a selective evacuation, as in the enclosure.

With regards,

Sincerely,

William J. Yoshino
