Ms. Ellen Hayashi

Dear Ellen:

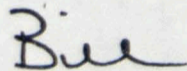

On behalf of the National organization of the Japanese American Citizens League, I wish to extend my appreciation to you for your assistance to the organization in preparation and follow through for the federal commission hearings in Chicago.

John Tateishi and I were highly impressed with your efficiency, cooperation, and facility to quickly grasp the tasks required of you. Please know also that were the monies available through this office, I would have no reluctance in offering you a capacity within this organization.

Above all, I hope your brief experience and association with JACL has been meaningful. I wish you every success at Blue Cross/Blue Shield Association.

With warm personal regards,

Sincerely,

Bill Yoshino
