Dear Min:

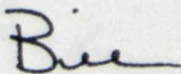

Thank you for the copy of your written testimony which I will forward to the Commission in Washington.

We are presently putting together a suggested hearing agenda for the Commission staff. This agenda will be sent to the Commission within the week. As I understand it, the Commission will then finalize the agenda and notify each witness as to the date and time of their oral testimony. Inasmuch as the Commission has made it a point to accommodate all witnesses who wish to present testimony, you may be assured that time will be set aside for your oral presentation.

Two final points -- the Commission is adhering to a 5 minute time limit and secondly, they are asking most witnesses for their suggestions on remedial action.

My regards to June.

Sincerely,

Bill Yoshino
