Dear Lillian:

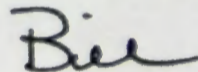

Thank you very much for your offer to submit written testimony to the Commission. It is very important that individuals such as yourself do so, so that the Commission will have benefit of a wide range of personal experience testimony.

We will convene workshops for written testimony in July. In the meantime, we would appreciate your mailing the first draft of your testimony to us by July 10.

Thank you for your participation.

With kind regards,

Sincerely,

William J. Yoshino
