Dr. Christine Schnusenberg

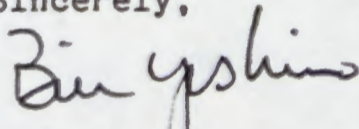

Dear Dr. Schnusenberg:

Evelyn Kebo requested that I send you the enclosed information pertaining to the issue of the Japanese American incarceration during World War II and the current effort to remedy this experience through legislation.

The legislation was passed in the House by a 243-141 vote on September 17. We are awaiting the Senate debate and vote. Both Illinois Senators, Dixon and Simon, are cosponsors of the legislation. It would be helpful to send them correspondence urging their continued support of S. 1009.

In addition, it would be helpful to send letters to the President urging him to sign the bill into law after it passes the Senate. At this point the White House needs a great deal of urging. We thank you for whatever help you can provide.

Sincerely,

Bill Yoshino
