Dear Chris:

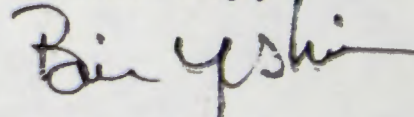

Congratulations on winning the state competition for your project.

I am enclosing a copy of legislation currently being considered by the U.S. Senate. The U.S. House of Representatives is also considering legislation which is virtually the same as the Senate bill.

Also enclosed is a copy of the recent Appeals Court opinion on a class action lawsuit which asks for compensation based on a number of causes of action.

I hope this information is helpful in updating information for your project.

Sincerely,

Bill Yoshino
