Mr. Sam Nakano  

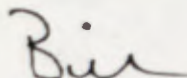

Dear Sam:

Thank you very much for copying and sending me the copy of "Democracy Betrayed" the story of the Japanese Canadian experience during World War II.

It is my understanding that the progress by the Japanese Canadians to obtain redress from the Canadian government is proceeding ahead of the pace here in the United States. It will be interesting to see the amount of compensation, if any, they receive from the government.

Again, thanks Sam.

Sincerely,

Bill Yoshino
