Mr. Allan Hida

Dear Allan:

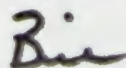

Thank you for the number of congressional letters from the various members from Wisconsin. All the letters you send to my office are kept on file and logged for relevant comments to ascertain their position on redress.

Thank you also for your briefing notes from your meeting with Sensenbrenner. It appears that he lacks a clear understanding of the issue, however, even with an understanding it seems he would remain very hesitant on the issue. I have taken the liberty of forwarding your briefing notes to San Francisco and Washington, D.C.

Regarding your request for someone who might help organize the camp materials from Tule Lake, the only suggestion I can offer is that you contact Carole Hayashino at national headquarters. Carole is a redress staff person and it may be that she can recommend someone from the area who could take the time to become involved in this project.

With kind regards,

Sincerely,

Bill Yoshino
