WILLIAM J. YOSHINO  
REGIONAL DIRECTOR

July 25, 1984

Mr. Mits Kasai  

Dear Mits:

Thank you for your memo dated July 22, 1984 in which you reference various items related to the letter writing campaign to the members of congress and as well the frustrations in arousing the efforts of the membership in taking an active role in the redress campaign.

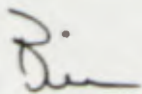

As you correctly point out, the current redress structure came about as an effort to increase effective communication and to develop more response on the part of the chapters in the redress campaign.

Enclosed please find a compilation of summaries of all congressional correspondence received by my office. This will give you an indication of the congressional letters which have been generated nationally as well as a feel for the general attitudes held by the members of congress on the issue.

I am sorry for not communicating with you earlier, especially in not sending you the summaries of congressional correspondence. I will make every effort to keep you informed as I receive information in the future.

With kind regards,

Sincerely,

Bill Yoshino
