Mr. Allan Hida
[REDACTED]

Dear Allan:

I received your request from April Doral for information on redress for the purpose of receiving an endorsement. I have asked that National headquarters forward you 20 copies of the summary of Personal Justice Denied.

Regarding your upcoming meeting with Sensenbrenner, the emphasis should be placed on the legal and moral wrong of the evacuation before proceeding to the recommendations of the CWRIC and the language of the Wright bill. As much as possible, try to secure co-sponsorship.

Sincerely,

William J. Yoshino
