Ms. Grayce Uyehara  
[REDACTED]

Dear Grayce:

Thank you for the various correspondence.

I write regarding the March 11, 1984 meeting in Chicago. I will suggest to Min that the meeting be convened on Sunday, March 11 at 9:00am inasmuch as Henry Tanaka will not arrive until 8:22 that morning. I will let you know of the site of the meeting upon determination. I note in your letter to Tateishi that you may be arriving on March 10 and that you will be lodging with someone. Please let me know if you need a ride from the airport. Any other requests such as a hotel or whatever, I will be most happy to take care of.

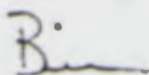

Regarding your inquiry as to whether Lillian Kimura would be willing to run for national office, I honestly don't know. I do believe, however, that a person Lillian's talents and capabilities would certainly enhance the organization in a leadership role.

I have heard much speculation on those who may run for national president including the names you mentioned. I believe Min would be a good candidate and I would encourage him to run for a variety of reasons, not the least of which is that JAACL deserves a quality choice among those who would seek the presidency.

I look forward to seeing you in Chicago.

With regards,

Sincerely,

William J. Yoshino
