Dear Allison:

Your mother informed me that you are working on a project about the World War II internment of Japanese Americans. I understand that you will be using historical documents and other information related to your grandfather's experience in the internment camp.

I am enclosing additional information which you may find useful and which you may wish to include as a part of the exhibit. The information includes posters and photographs which are yours to keep.

I wish you every success with your exhibit.

With kind regards,

Sincerely,

Bill Yoshino
