Ms. Heidi Hida
[REDACTED]

Dear Heidi:

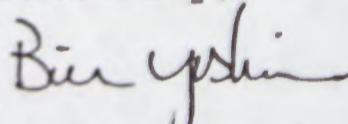

Thank you for your letter of February 11, 1983 calling my attention to the WOKY editorial. I apologize for the delay in responding.

The editorial argument as outlined in your letter is easy to refute and as you state it demands a response. I am wondering whether you have received a copy of the tape of the editorial and whether a response has been issued to the station.

I am certain that more and more of the above kinds of editorials, comments, and opinions will be surfacing as we progress in the redress effort. I would especially anticipate this once the Commission releases its recommendations. Each chapter must respond quickly in such cases.

With regards,

Sincerely,

William Yoshino
