Mr. Jack Tono  

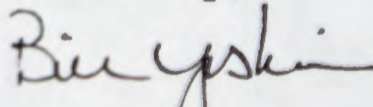

Dear Jack:

Enclosed is the edited transcript which we will proofread for typographic errors and then forward to the publishers as part of the completed manuscript.

I have also enclosed a release agreement which needs to be signed by you in order for us to include your segment as part of the book. Since we will be having the manuscript final typed next week, we need your consent by way of this signed release as soon as possible.

We believe your story will add greatly to the impact of the book because it relates very clearly an episode of the incarceration in which consciences were tested and stands were taken to exhibit the wrongdoing of the government.

Sincerely,

Bill Yoshino
