Mr. Tom Kometani

Dear Tom:

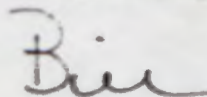

It's taken some time, however, enclosed are the requested pictures from the Chicago JACL photo exhibit. I have informed the Chicago chapter that your use of these photos will extend through the month of May. The chapter is appreciates your request and wishes you well with the exhibit.

As you will note, the pictures have no identification, however, sequencing them should not be a problem. In all likelihood, I will be sending you more photos as they are returned to my office by other individuals. I will also attempt to send you some suggestions regarding narrative material for the photo display.

I wish you success with the exhibit.

With kind regards,

Sincerely,

Bill Yoshino
