Dear Kune,

It was so very nice to hear from you and to know you are all well. I know how you must have felt when it finally ceased.

You are right we have been busier than ever for our Division is scattered from here to Hays and back. We spend most of our time traveling as some of our units are about a hundred and fifty miles away.

Please let me know exactly where you are for I still hope to get over to see you all. You can say how exactly where you are. I am just going to take off one of these days and be long gone.

I hope you all know more about your next move than we do. Everyone here is quite tense as they are "sweating out" the next word.

Please remember me to all the boys and take care of yourselves. I'll be waiting to hear from you about your location. Sincerely, Shirley
