RE: Photo's of the 1995 Mini-Reunion at Las Vegas

I had planned to do so this long ago. I asked Hiroshi Kaku to send me the negatives of the pictures he took at the reunion. He did send them to me in November, 1995, with a set of prints, too. I made a set of the photo's at KINKO and took it with me to Hawaii for the folks there just before Christmas, 1995. I didn't get that set back until I visited the Islands this month.

I thought that you might enjoy seeing the prints and maybe you may want a couple of copies of some of the pictures, too.

I have each of your names and addresses listed. I am sending this packet first to Eddy. Enjoy the prints and then, if you wish, order what prints you want, using the form I made. The identification of the print, size and number of prints desired is important. Send that order sheet to me. When I get a response of each of you, then I will have the reprints made.

The Hawaii fellas ordered some, but I will wait until I get your orders. After all the order is completed, I will return the negatives to Kaku.

If any questions, please call. (310)862-0544 Evenings are better. I'm up til near midnight. The machine will take a message.

The mainland 100th Chapter has invited us again this year. The dates are 9/30 to 10/4. It will be at the PALACE STATION (formerly Flamingo). Hotel costs \$60, Registration \$15

If you are interested, coordinate with BEN TAGAMI (310)323-6510. Tell him that I had given you this information.

Our AT Chapter will discuss this at our May 8th meeting, but my feeling and what Dave Kawagoe and Frank Seto have said, we are not the "Las Vegas type". The golfers may be interested. We could do it every couple of years. This was the feeling from Wally Kagawa and Masato Doi in Honolulu, too. Take care of yourselves.
