TO WHOM IT MAY CONCERN:

Mr. Tsugitada Kanamori has worked for me for nearly two years, during which time he has held several positions. He has worked hard and faithful in all and has received praise by his superiors. He is now in charge of maintenance of over 500 ordnance vehicles and is doing excellent job.

He is trustworthy and honest and can be counted on to do any job, no matter how large, at his very best. I have personally observed his work and can recommend him for any job requiring skill and ingenuity.

I do not hesitate to assure anyone, wanting his services, that he will be an asset to their organization.
