## MOIDER RAMPAGES FACULTY

### TEEN MANIACS STILL AT LARGE

A ruthless wholesale crime wave swept half of Buttey Hi faculty under the face of earth yesterday.

Ringleader Kim Nagano started the massacre by emptying his rifle, pistol and automatic into Fred "Wistful" Miller. Immediately, his henchmen ran wild. Despite furious resistance, Jack Kasai and George Toroda did a job-sized job of dragging and drawing Mabel "Dear" Sheldon and Dora "Look here" Kersey to the Gila River.

Leo Komai, Tosh Akasabe, and Yosa Nakamura got together and herded L. A. "Poor" George, Jesse "Annie" Seaberry, and Thomas "Glunk, glunk" Apple into a compression chamber, pushing them to a pulp.

Unoriginal Arthur went finished Gilpin "Proof" Sessions off with a hammer.

F.A., P.K., H.M., J.N., and V.N. chopped Marcos "Panchito" De Leon up and put him through a meat grinder. Rifle con Carnel

George "Two plus two" Nikaido has disappeared, and judging from Calvin Ishii's flinty eyes, he must know where X marks the spot.

The "Okies" gave Leonard "L o o n e y" Schulman an icy look freezing him stiff.

Minnie Sasahara, Mary Nakahiro and Fumi Yoshinashi tickled Gene Eckenstein to death, pickled her for all to behold.

It didn't take much to kill Jessie "Crafter" Koyama. Peter Nishiyama just took off his cap.

Richard Hiroto and Johnny Tachinara roasts were "Bank of" Bell with 115 hot-foots.

But crime does not pay. School will continue tomorrow as usual.

### FOOLS FOOL ON FOOL'S DAY

All good girls came to school today with dirndl skirts, pigstails and floppy ribbons; while good boys forgot to take off their pajama tops.

Ruthless rag-cutting will be done after school at Messy 4 L. Students are urged to put on their best school spirit and come by the Student Body Council.

### Attention!

Club presidents! Turn in club constitutions to Jack Kasai. (Definitely not lying.)

VICTOR AND VICTIM

### NEW HIGH NEARS FINISH MARK

First of April finds the near completion of the new Buttefal Hi buildings.

Its spacious white and gold rooms are air-conditioned, and a free soda fountain is installed in each room. When students tire of the teacher's lecture, a push of a button opens the curtain at one end of the room to disclose the latest Broadway hit. Escalators have been put up to the fifth floor of the main building.

Swimming will be taught by the Olympic

swimming champions of 1940, Sid Ozozaki and Susie Nakai, to the respective boys and girls gym classes in the nearby blue-and-white Lucite swimming pool.

## DOT 'N DASHES

Topez, Utah

An informal gathering was held by the journalism class for their teacher who is leaving to get married.

A flea show topped off the evening. Refreshments consisted of thick, juicy horse-burger patties, mouth watering golden French carrots and that "pause that refreshes" --Roma Wine. Some meal neh? As for me, give me bread and water.

Echoe, Wyoming

Seniors made plans for a Ditch day but due to many seniors ditching, it has been cancelled.

Amache, Colorado

The new library hours for week-days are as follows:

9:00 to 11:00 p.m.  
--for students who like to read and gaze at the moon.

11:00 to 12:00 p.m.  
--for wolves to lay their eyes on common sense.

This schedule will be quite favorable to majority of the students. Especially budding prodigies.

Any similarity of characters on this page to anyone dying or alive is purely coincidental.

## "BUTCH" NOW IN STYLE

Presenting the hair-do of hair-dos, "Butch" hair cut!

This particular style of hair dress has its own brand of allure. First of all it reduces the size of the owner's head, thereby making him appear less fat-headed. Its short locks afford no competition to Veronica Lake, and makes a wider range of view possible. Combing is unnecessary, saving 10 seconds everyday. The sun can filter its ray down to the scalp, so in case one should become bald overnight, a more or less even coat of tan will be

IMPOSSIBLE!

Sue Tomocka grew an apple that doesn't obey the law of gravitation, so Haruo "sir Issac Newton" Hayashi arrested it.

ready on your shining knob.

The effect on the female snodie is stupendously colossal. Go to a zoo some day. She-monkeys love it.

After hearing all the advantages of the "Butch" hair cut no doubt many will appear tomorrow with double layer of pachook.

Mr. Twenty by Twenty, Mark Nakamura, has a soft spot in his heart for every girl. School work bores him.

No one dares to pick a fight with this muscle-bound, hairy chested gorilla who moves as fast as his thoughts. If you want to see him, look among the Santa Anita angels someday. The most angelic looking one is he.

## NUTS TO YOU NUTS

Last week the professors of Butteful High visited an insane asylum in Rivers. The estate is no different from a school and the harmless ones wander about doing their daily queer doings.

One fellow had a trout pole and was casting into an empty bucket. Once in a while he would yell out. "I got him! He's a big one. Shucks, he got away."

Curious, Jessie "Paint'em" Koyaga and Rui "Quiet! Kira asked, "Son, how's fishing?"

"Tretty good," replied the nut.

They paused a minute and asked, "Well what are you fishing for?"

He replied as he cast his line once more, "Suckers."

Still unsatisfied, they asked, "We don't see any fish, how many have you caught?"

"Oh, you two make nine now" replied he.

Moral: Keep your nose on your face.

## DREAM MATES REVEALED

When asked about their conception of dream mates, "ye old professors" of Butte High School simply gave your reporter a cold "fish eye", or got gushy, dreamy-eyed and poetic. Following are some of the "true confessions" given out by the faculty.

Marcos de Leon, Romeo of the Gay South with a gleam in his eyes said: "Me, ol' Marcos, I get any little hot tamale I want, but I want most a little bright, blacke d eyed conchita with a figure lak' Dorothy Lamour an' puhlently of umph. Ha! Ha! Ha!"

Tough guy Jim Miyake says, a smile cracking his red face: "A w, whad'a I want wit' dames I'm rugged, see".

Small, meek, Ward H. Bell, said in a piping thin voice: "I want a big, strong, woman with muscles so the big bullies won't pick on me all the time."

Grumpy, miserly Gilpin S. Sessions, said: "Woman only create more expense, gradually eating out

a man's whole fortune and then leaves him penniless and starving!"

Thin, nervous and irritable Jane Eckenstein shrieked, "Men are the cause of all evil. All of them are gigolos and try to intimidate all of us poor, sweet, innocent girls and"--ok that's enough.

Lovely Grace and Josephine Wilson, twin sisters, whose amazing looks startled everyone, replied, dreamily "If he only had a figure like Jack Benny, a nose like Hob Hope, eyes like Eddie Cantor and hair like Harpo Marx.

Margarett Ott, the great opera star, said in between scales that she's willing to spend her life on the high seas with a sailor, sending the sharks scurrying away with her singing while her mate mans the ship.

Stern Boarder C. Yersey, said "My man must be willing to sacrifice his life for me, must love and obey me, mind the children and make my meals, until death should us part".

## BUTTE CASABAMEN COP "B" LEAGUE TITLE

After upsetting the fast Ojijie aggression for the American league title, the much improved Butte Varsity went on to cop the Butte "B" league championship by dumping the rugged Nightmares 36 to 29 recently. Previously the Eagles edged the Nightmares 27 to 25.

Led by sharpshooting Butch Hosaki and John Yamamoto, the prep's fastbreaks were the deciding factor of the game. Edgar Fukutaki, George Kataoka, and Kim Nagano were outstanding defensive players, holding the forwards and the centers to the minimum scoring.

### PAVELIN AWARDS 15 LETTERS TO MELON TOSSERS

Ending a successful campaign Coach Thomas Pavelin awarded letters to 15 basketballers for their fine work in garnering the "B" title.

The following boys will receive the blue and white letters: T. Dendo, J. Doi, E. Futaki, Y. Hazama, M. Hosaki, J. Kasai, G. Kataoka, Y. Kiyasu, G. Kurashige, K. Nagai, K. Nagano, J. Tachihara, G. Toyoda, T. Watanabe, and J. Yamamoto. Manager's letter will be awarded to S. Oji, P. Mishiya, and J. Komuro.

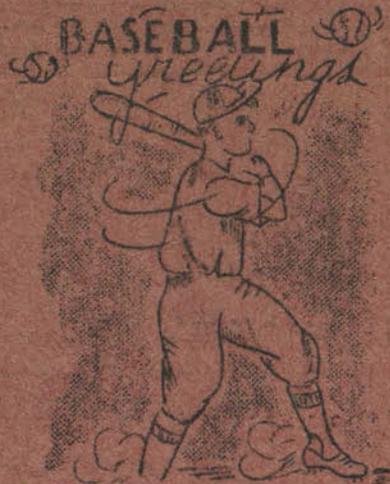

### HIDE TANAKA NEW ASSISTANT COACH

Newest addition to the Butte Boy's P.E. staff is friendly Hide Tanaka.

Graduating from L.A. High, he was the quarterback and captain of a championship "B" team. The coaches rated him as one of the best "B" back in L.A. High history. He also starred in basketball and Cee track.

Nob Oki, Ishimoto, and Wakamoto were constant treats with their push shots and follow ups.

This game ended the career of ten melon-tossers for high school. Lettermen T. Watanabe, G. Kurashige, Y. Kiyasu, G. Kataoka, and T. Dendo will be back to carry the burden of the blue and white next year.

If the games cannot be played at outside schools the contests will be held in the center.
