Mr. R. R. Best
Project Director

Dear Mr. Best:

I am writing in regards to Masaichi Kozuma, who has been interned at the army Stockade since January 6, 1944.

We have three girls and a boy who are all awaiting for the release of their father. When the youngest daughter, age three (3) years, cry for her father so often, it is impossible for me to express my feelings.

I beg your mercy for the release of my husband and the father of the children. I will give my word that our family will see that he will not mingle with politics hereafter.

Sincerely,

Takiko Kozuma
