Has answered 'yes' to #28 - However, following remarks by Capt. Fairchild: "This man came in and said he wanted to change Nol 27 from "yes, if drafted" to "no" because he has a mother, sister and brother in Japan and if he went into the Army they might object and this would disgrace them. He also said he would like to go back to Japan. He cannot speak English fluently so after talking to Masao Miyamoto 11H 10-C, Amache, in Japanese, he decided he would let the answers remain as originally made as he said he wasn't sure.
