Relocation Center
Community Management Division
Internal Security Section

Position Code: Q2aD55
Date Allocated: May 13, 1943

Organization Title: Guard
Class Title:

CPC-5

Patrols in an assigned area under the Chief of Internal Security. Is primarily responsible for protection of government property such as lumber and supplies and evacuee property in the custody of the government. Must challenge persons in the area to determine their authority for being there and is responsible for making arrests in the event of attempted theft, arson or damage to public property or buildings. Should be sufficiently physically fit to stand eight hours of work most of which must be out of doors. Police or previous guard experience desirable but not necessary
