

**ENMANJI TEMPLE**  
**Sebastopol, California**

This structure was originally built by the Manchurian Railroad Company to be exhibited as the Manchurian Building at the Chicago World Fair in 1932.

When this building was brought here and rebuilt as the Buddhist Church, Chief Abbot Ohtani of Japan granted it the title Temple. This is the only building in the United States with such a title. The name Enmanji stands for Sonoma Temple.
