Dear Frank,

Can't understand why Paper ends up ignoring your article on "The Great J. Am. Move". Hope you've found JK and Karen receptive. The last issue of The P.C. announced that editor has left; H.H. is covering.

Saw Bob and Agnes Suzuki. Agnes thinks you should submit article to Asian Week. We all think you ought to submit it to Leung of Amerasia Journal for the hell of it.

Enclosed find stuff I've returned which I suspect you might already have. As for Tomura's stuff, let me know if you'd like to have the rest of the pages received.

The material on IACL may
be of interest, though I've personally
not had a chance to read it, too
much coming in over the transom.

As always, our love to you, Dana,
Sam Chew. Wishes of well, too, with
"Donald Duck"!

Michie
