Dear Frank,

I hear that you're in Studs Terkel's
new book. He'd do a dandy job
of writing intro to the resisters' volume.

Corby Lee has been an incredible
help to me — getting me in
touch with all his Asian friends,

Channel 5 (Fox News) team ~~were~~
Kyung Yoon (Korean American newscaster)
and ~~pride~~ ~~gay~~ were here most of
the morning.

So am I popped tonight.

Frank Abe called, so we had a
nice session of catching up with
all the news. He seems pleased
with the way the film is going.

Walter pledged his support.

Much love to you, Dana, Sam Chew.
