

Frank,

We returned from trip with  
whopping colds, both of us. (I gave  
it to Walter, poor guy!) It had me  
reeling from the jet lag, more than  
usual. And the damn cold's  
got me feeling weak still. Refuses  
to go away. Damn it!

Frank - you

'Chusingura'

'is mesmerizing.

'Brilliant writing.'

Walter says its  
a blockbuster  
and you, a genius..
