The Ambassador Bridge, the world's longest international suspension bridge, 9,609 feet in length, and the Detroit-Windsor Tunnel make Canada easily accessible without the formalities of the passport. Thousands of tourists cross the border here daily.

Dear M. Zie-

Thanks for the card - you don't know how terribly I miss you all. Everything is fine with me, but still recuperating from the long trip. Weather here is still like winter - cold most of the time and has rained almost every nite since we came here. Still keeping up with your "boogie"? More power to you & keep it up! How about splashing some ink this way. Tell them Love & Kisses
