

15860. Streamliner "City of San Francisco" crossing Great Salt Lake, Utah

Irene Ibane on her way home
to Reedley.

Mar. 5, 1945

The Streamliner, "City of San Francisco." This is the Southern Pacific crack train between San Francisco and Chicago. Running time between these two cities, 39 1/2 hours.

I filed Mitzi. My
5th day driving three
 scenic states. Getting
 a good view of each
 state. Making the
 trip easy. Passing
 thru what of cold
 weather. Nothing has
 been so all the way.
 Still write from Cal.
 regards to all - Irene
