Who say U.S. ARMY
is VERY strong.

Yes, Chinese also.
Chinese got too many Soldiers.

had salients, no ammunition, solely by volatile Republic troops. Instead, the ROK divisions were sandwiched between American and British outflanks.

depth, south of the 38th parallel and back, supported by 100,000 more Chinese of the Third Field Army massing everywhere above it. In addition, the Communists could fall back on two new defensive lines, one stretching along the Han River between Seoul and Hong-tan. The Battle of Korea last week was a battle of piny peaks, of barren broad hills, of roller-coaster ridges. It was a battle for the lateral roads running across the 38th parallel.

Nonetheless, the Chinese at last knew

Massacre Valley

the Reds resisted at all.
