How are your mother
and father are they fine.
Give my best regard.

Are you going school,
what subject are you taking?
my subject is English,
Civic, Biology. I hope I
could go back to Lavondale
school again, I'm missing
Lavondale for two year.
by next month.

How's the weather over
there? Over there is getting
very warm, we then have
rain for long time. I hope the
weather is like this all the
time but in the summer
it will be so hot.

Tell your mother
Tsuyoshi is getting big
boy. every saturday he
go to fishing, last
sunday they eat a pig
they eat at mess hall,
with all the young boys.
