Hello! Laura

I haven't write to you for long time, I hope you all are fine. We are fine as always. I think you no Arkansas weather, from Monday morning it began to be very cold, that why we are having a fire from Monday morning and all day Tuesday. And the weather got my big brother look like he has had cold. Mother is feeling same as always. Tsuyoshi and I are feeling OK. only little cough, I think we are OK if we keep ourself warm. How's the weather in California a Lawndale, I hope it isn't too a Arkansas. is your mother and father are working every-day? I think you are going

school yet.

How's our old farmer getting along. I sure miss my old farm place, since I came to Camp I never work yet because I still with mother.

Oh ya you tell me about your film remember I tried to get one or two, but this year it look so hard to get it I ask my girl friend to get it for me too, I'm not so sure yet. If we get it, well, we will send to you. Well take good care of yourself & give my best regard to your mother and father.

Sincerely
Erick Herada
