

WAR RELOCATION AUTHORITY  
GILA RIVER PROJECT  
RIVERS, ARIZONA

April 23, 1945

To Whom It May Concern:

I am writing this letter to certify that the Mechanic Hand Tools in the possession of this person, Fumio Fred Takano, is his own personal property.

To my knowledge, he had his tools shipped into this center, from Reno, Nevada--for which he has a Freight Receipt.

I examined the contents of his tool boxes(2), and I can truthfully say that none of them belong to this department.

W. S. Hislop *W.S. Hislop*  
Associate Construction Superintendent.
