

WAR RELOCATION AUTHORITY

June 9, 1943

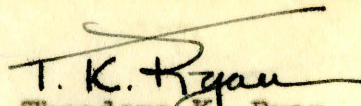

To Whom It May Concern:

I have been closely associated with Mr. Fumio Fred Takano for a period of over 9 months. During this time I have found him to be intelligent, capable, willing to assume responsibility, and he required very little supervision.

Emergencies have arisen on several occasions which required long hours of night work and Mr. Takano always cheerfully volunteered.

He is highly regarded on this project both as to his character and as an individual. His work has been a stimulant and model to other employees of the division where he is employed.

Very truly yours,

Theodore K. Ryan
Sanitary Engineer
